MEMORANDUM FOR: Executive Secretary
United States Intelligence Board

SUBJECT : Security Clearance of USIB Committee
Members

REFERENCE : USIB-AM-73/3, 2 October 1973

As requested in referenced memorandum, I have reviewed the current status of clearances of members of the Committee on Imagery Requirements and Exploitation and of its subcommittees and working groups. The general clearance level is TS, SI, T-KH, and appropriate projects in the [] system. We are in the process of having COMIREX Members and Consultants as well as Subcommittee and Working Group Chairmen cleared for [] and, when that is completed, everyone concerned will have all clearances required at this time to perform the Committee's mission.
